

Preliminary Revenue for December 2023

Stockholm 2024-01-04

The preliminary revenue for the month of December is reported to be approximately 3.8 million SEK, compared to 4.5 million SEK in December 2022. It is important to emphasize that the company's core business has continued to develop in a positive direction. The management looks forward with great anticipation to what 2024 has to offer, with a strong belief in the company's continued success and development.
